

## RESIDENTS BALL

### AT KAUKAPAKAPA.

The long looked for Ball, tendered by the residents of Kaukapakapa to the returned soldiers of this and other districts, was held last Friday evening, and proved a marked success. Settlers and, returned men from all over the district attended, and it is estimated that when the grand march was started, eighty couples were on the floor. The grand march was led off by returned men, headed by Mr **"Pat" Hooper**, D.C.M. and Miss **Hooper**. The hall was tastefully decorated with greenery, flowers, and flags, and looked a picture, transforming the otherwise bare structure into a cosy place. The music, supplied by Bartley's orchestra of six instruments; was good and proved an incentive to dancing, which was kept up with vigour until 4 a.m. In fact, so keen were the dancers that several "extra extras" were called for during the evening. An excellent, well-managed, and plentiful supper of trifles, jellies, cakes, etc., was provided by the ladies of the district, who are undoubtedly experts in this particular line. Both ladies and gentlemen's committees are to be congratulated on the gratifying success achieved by their endeavour in honouring the returned boys of the district.
