

# MAKARAU

A largely attended basket social and dance was held on Friday last at Makarau. A number of friends came in from the surrounding districts, and all spent a most enjoyable time. During the evening Mr F. Dye, of Kaukapakapa, presented P~~vt~~e. Pat Hooper with the D.C.M., which that popular soldier had won whilst away. "Pat" is deservedly popular with all, and the gathering gave him an enthusiastic reception. Pat thanked the friends in a neat speech for their kindness and good wishes.
